PUBLIC QUESTION No. 5

HOUSING ASSISTANCE BOND ISSUE

Shall the act entitled "An Act authorizing the creation of debt of the State of New Jersey by the issuance of bonds of the State in the sum of \$100 million to provide money for mortgage assistance and to spur construction and rehabilitation of housing; to enable such housing to be occupied by senior citizens and families of low and moderate income; to provide the ways and means to pay the interest of said debt and also to pay and discharge the principal thereof; and to provide for the submission of this act to the people at a general election," be approved?

INTERPRETIVE STATEMENT

Approval of this act would authorize the sale of \$100 million in bonds to be used for mortgage assistance and the construction or rehabilitation of housing for senior citizens and for families of modest incomes, to loosen a tight housing market, to stimulate increased economic activity and to create useful job opportunities in a time of high unemployment.
